A quorum was present.

III. PUBLIC COMMENT

None.

Motion by Councilmember Robinson and second by Boardmember Bergeron to approve the March 6, 2018 LEOFF 1 Disability Board meeting minutes as presented. Motion carried unanimously (5-0).

V. CONSIDERATION OF APPLICATIONS FOR DISABILITY ALLOWANCES

B. Special Claims

Motion by Boardmember Reil and second by Councilmember Robinson to approve the Special Claims as presented.

Boardmembers discussed Member #30's claim for reimbursement. The Member purchased a hospital bed to help with the side effects from cancer therapy. However, a purchase of the bed is not an allowable claim under Premera guidelines. Ms. Dillon clarified that the statute does not specify if a hospital bed must be rented or purchased. Therefore, Boardmembers agreed to approve the request for reimbursement for the purchased bed.

Boardmembers discussed Member #35's claim for reimbursement. The Member needed in-home help after being placed in Hospice care. In addition, the Member needed to be transported by cabulance, while in Hospice care. Sadly, Member #35 passed away on April 11, 2018. After a brief discussion, Boardmembers agreed to approve the request for reimbursement.

Boardmembers discussed Member #47's claim for reimbursement. The Member had cataract surgery on January 10, 2018 and January 31, 2018. There was a final follow-up appointment for these procedures that was not covered by Premera. After a brief discussion, Boardmembers discovered that Member #47's claim for reimbursement may have been coded incorrectly. Boardmembers requested that Member #47 have the coding error corrected and resubmit the claim to Premera.

At the question, motion carried unanimously (5-0) to deny Member #47's claim and approve the remaining Special Claims as presented.

C. Pre-Approved Recurring Long-Term Care Claims

The pre-approved recurring long-term care claims were reviewed and included in the Board packet.

VII. STAFF REPORT

With great sadness, Ms. Dillon reported that Members #153 and #35 passed away.

VIII. NEW BUSINESS

None.

IX. UNFINISHED BUSINESS

X. ADJOURNMENT

By general consensus, the meeting was adjourned at 6:43 p.m.

Policy Discussion: Shall the Board amend Section IV 2 B & C (Additional Approved and Pre-Approved Medical Expenses) of the City of Bellevue Disability Board Policies and Procedures Manual Restated: October 2014 and amended May 1, 2018, for ease of administration?

Background:

The Board adopted the attached change to the City of Bellevue LEOFF 1 Policy and Procedures Manual Section IV 2 Additional Approved and Pre-Approved Medical Expenses on May 1, 2018. On May 10, 2018, staff reached out to our Third Party Administrator (“TPA”) (Premera) to request they incorporate the amended benefits into the City of Bellevue LEOFF 1 Medical Policy for the upcoming benefit year. Staff was informed that there are some items in the amended policy that the TPA is not able to administer.

A revised amendment is attached with the changes required by the TPA in order for the TPA to continue administering this section of the amended LEOFF 1 Policy and Procedures. If the Board does not adopt the revised amendment and proceeds with the policy amendment that became effective May 1, 2018, city staff will take over the administration of Section IV. 2. B&C. The claims received under these sections will be submitted to the Board for review and approval at its monthly meetings instead of directly to Premera.

Options:

1. Pass a motion to amend Section IV 2 B & C (Additional Approved and Pre-Approved Medical Expenses) of the City of Bellevue Disability Board Policies and Procedures Restated: October 2014 and amended May 1, 2018 for ease of administration?
2. **Do not pass the motion and have staff administer the amended policy as written.**

Recommendation:

Do not pass a motion and have staff administer the policy as written.
